

Scandinavian Seniors 2020

Dear participants, Due to the ongoing pandemic, the Swedish Golf Association has introduced

temporary supplementary competition terms that apply from 1 July. The purpose of the regulations

is to ensure that golf games and golf competitions can be conducted in Sweden:

- partly with full observance and respect for the regulations, advice and recommendations that apply to all forms of activity in Sweden during the current corona pandemic,

- partly to work actively to minimize the risks of contagion, while at the same time enabling people to continue to carry out healthy sports activities in the outdoor environment.

In light of these guidelines / regulations, Scandinavian Seniors 2020 will be implemented on the basis of the following conditions:

Date

July 20 - final registration day

July 29 – official practice day, booked by contacting PGA Sweden National

July 30-Aug 1 - Single competition

Venue

PGA Sweden National, Links Course

Classes

The 2020 competition will only contain a single competition and only in the class H60.

Double competition, H70, D50 and D60 are eliminated from the program. Men over 70 are welcome to participate in the H60 class at their own risk and by following the recommendations that apply to this group in general.

Other competition terms are stated in tournament conditions which are posted on

www.scandinavianseniors.se

Other

It is SGF's strong recommendation to the golf clubs and golf district associations (GDF) that public health - and golf's responsibility to prevent the spread of infection - should be in focus and that the golf clubs and GDF should follow the public health authority's general guidelines and guidelines when contesting. In practice, this means, for example, that the competition will be conducted:

- starting from the same hole
- without a joint gathering at a clubhouse or first tee
- without official gatherings
- without official prize ceremony

All participants are invited to:

- arrive at the club up to an hour before their start time
- leave the club no later than one hour after the end of the round
- avoid using the facility's dressing room

We ask all participants to respect the guidelines and regulations that apply to the competition and to society at large.

For other questions about the competition please contact PGA Sweden National at reception@pgaswedennational.se and see www.scandinavianseniors.se

Warm welcome to Scandinavian Seniors 2020!
